Description of Mark The color(s) green, gold, beige, gray, black, orange, yellow, brown and red is/are claimed as a feature of the mark. The mark consists of a background that shows a Grecian doorway of a building comprising an archway with spiral pillars in beige and light brown; green ivy is showing at the top and draping down onto the archway. At the bottom of the archway are gold coins and a Grecian artifact water jug with a picture of the Greek God Zeus on it. The jug is black and is circled in orange and yellow with red drip marks, and the outline depiction of Zeus is in black. Zeus is holding a black triton spear with three points. On the right side of the archway is a Roman helmet in antiqued green with gold emblems. The background inside of the archway is beige colored with markings in gray to look like cracks in old plaster. There is a seven feather emblem in brown at the top of the archway representing the seven families of the Tribe; the words "CASH OF THE TITANS" in gold are centered inside the archway with a decorative border in brown above and below the wording.

NOTICE OF NEW PROCEDURE FOR E-MAILED OFFICE ACTIONS: In late spring 2007, for any applicant who authorizes e-mail communication with the USPTO, the USPTO will no longer directly e-mail the actual Office action to the applicant. Instead, upon issuance of an Office action, the USPTO will e-mail the applicant a notice with a link/web address to access the Office action using Trademark Document Retrieval (TDR), which is located on the USPTO website at <http://portal.uspto.gov/external/portal/tow>. The Office action will not be attached to the e-mail notice. Upon receipt of the notice, the applicant can then view and print the actual Office action and any evidentiary attachments using the provided link/web address. TDR is available 24 hours a day, seven days a week, including holidays and weekends. This new process is intended to eliminate problems associated with e-mailed Office actions that contain numerous attachments.
